---

This letter certifies Keymark as an approved applicator of the Trinar®, Ceram A Star E®, and Acra-Bond® Ultra coatings. Each coating has unique properties but specifically Trinar® meets or exceeds all specifications under AAMA 2605, Ceram A Star E®, meets or exceeds all specifications under AAMA 2604, and Acra-Bond® Ultra meets or exceeds all specifications under AAMA 2603.

Keymark has proven that their paint lines equipment and Quality Control procedures meet all the requirements of an approved applicator. This includes passing all accelerated tests under the AAMA specifications mentioned above.
